Dear Josh:

On behalf of Dr. Kenneth S. Warren, I am pleased to invite you to attend the Fourth Annual Meeting of the Great Neglected Diseases of Mankind Research Network. This year's meeting will be held at Magdalen College, Oxford, England, September 22-27, 1981. We would be delighted to meet your expenses for this trip, to include economy class airfare, accommodations, and incidental travel expenses. I should add that housing and budgetary limitations preclude our inviting spouses to this meeting.

Participants will be arriving on Tuesday, September 22nd and departing on Sunday, September 27th. There will be four days of research presentations, Wednesday through Saturday. If you will be able to attend, please complete the enclosed travel and housing advisory form and return it at your earliest convenience. I will forward further details as plans and the agenda are finalized.

Yours sincerely,

  
John T. Bruer, Ph.D.
